

GENERAL PRACTICE

PLACEMENTS

"I used to worry about time, but hosting students has actually improved our workflow and strengthened our prescribing safety"

GP

Who?

- Year 3 and Year 4 Pharmacy students

Time commitment

- Year 3: 2 days
- Year 4: 5 days

What's required?

- Confirm attendance
- Supervise workplace-based assessments
- Provide feedback

Why get involved?

- Shape the future primary care workforce
- Promote the value of pharmacy in GP practice
- Support students to turn theory into real-world care
- Low time commitment, high educational impact

"Supporting pharmacy students reminds me why I came into this profession - their enthusiasm is contagious"

PHARMACIST

"I love showing students what holistic care really looks like - they have been fantastic at supporting medication reviews"

NURSE

"Students are often surprised by how vital HCAs are. It's rewarding to show our impact, and they really value the hands-on learning"

HCA

"Students give us the extra capacity we need to finally push key audits forward - they make a real difference to our QI work"
