

MAGIC

The Management of Acute emergencies in GP surgeries using In situ simulation and Checklists

UNLOCK YOUR TEAM'S POTENTIAL

Developed by GPs for General Practice

Training supported by the College of Paramedics

Why It Was Developed

- Research in 2018/19 showed that 97% GPs had dealt with a medical emergency in the last 12 months, only 24% had completed any additional training in this time to manage these

Why Choose Our Training?

- Research Backed
- Follows up to date NICE guidance
- Expert-Led Workshop
- Practical Skills
- Increased Staff Confidence
- Improved Patient Outcomes
- Electronic Copy of GPQRH

OUR VISION

Training for Primary Care settings, free for all; resulting in staff confidence, resilience and improved patient outcomes in emergency situations
